Please verify your flight check-in location with your ticketed carrier.

Due to uncertainty in airline flight schedules, you will need to contact your airline and confirm your flight information prior to each departure. We recommend that you arrive at the airport a minimum of 90 minutes in advance of departure for domestic flights and at least 2 hours in advance of departure for international flights. If you fail to arrive at your gate on time, the airline has the right to cancel your reservation and make you ineligible for denied boarding compensation. If you choose not to take any of the flights for which you are ticketed, the airlines will automatically cancel the remainder of your reservation.

Due to increased security, all adults, 18 and over, are required to show valid photo identification (examples include a driver's license, passport or state identification card) and a paper copy of this page at airport check-in.

You are permitted the same baggage allowance as other economy class passengers. Since carry-on and checked baggage guidelines vary by airline, we recommend that you check your airline's Web site for answers to specific baggage questions. Airlines will not always guarantee seat assignments prior to airport check-in. If there is not a seat assignment printed on your ticket and/or itinerary, you will always get a seat assignment at the airport on the day of departure.

For requirements due to disability, requests for special meals, or questions about traveling with pets, skis, etc., call your airline in advance so they are prepared to meet your needs. Please note - Priceline cannot guarantee that special needs requests will be met. Special meals are not available on all airlines and meal service is not guaranteed on all flights.

If your flight is delayed or canceled or you are denied boarding at the airport due to over booking, immediately check with your airline gate agent for information and instructions.

If your journey involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers for death or personal injury and for loss of or damage to baggage. Also see the notices entitled Advice to International Passengers on Limitation of Liability, and Notice of Baggage Liability Limitations, Notice of Incorporated Terms, Notice - Overbooking of Flights.

Air transportation to be provided between points in the U.S. (including its overseas territories and possessions) is subject to the individual contract terms (including rules, regulations, tariffs, and conditions) of the transporting air carriers, which are herein incorporated by reference and made part of the contract of carriage. Also see the notices entitled Conditions of Contract, Notice of Incorporated Terms, Notice of Baggage Liability Limitations, and Notice of Overbooking.
